VIRTUAL COMPLIANCE MANAGEMENT (VCM)
FOR CMMC CERTIFICATION

MADSecurity

Achieve and Maintain CMMC Compliance with Expert Guidance

MAD Security is CMMC Level 2 Certified & a CMMC Registered Provider Organization (RPO). We know what it takes to achieve CMMC compliance because we have done it ourselves.

WHAT IS VIRTUAL COMPLIANCE MANAGEMENT (VCM)?

MAD Security's VCM is a fully managed compliance service designed to help organizations achieve and maintain CMMC compliance by providing expert guidance, policy consulting, and ongoing compliance monitoring.

We work with you every step of the way, from preparing for CMMC certification to staying compliant post-assessment, so you can focus on your business while we handle compliance.

WITH VCM, YOU GET:

- **Dedicated Compliance Consultant:** A personal compliance expert guiding you through CMMC
- **Compliance Roadmap Execution:** Based on the results of our CMMC Gap Assessment
- **Policy and Procedure Consulting:** Ensure policies align with CMMC security controls
- **Ongoing Compliance Monitoring:** Stay on track with continuous oversight
- **Audit and SPRS Score Readiness:** Maintain documentation and prepare for assessments
- **Compliance Portal Access:** Real-time tracking of compliance progress
- **Third-Party Vendor Compliance Support:** Ensure supply chain security
- **On-Demand Compliance Updates:** Receive notifications on regulatory changes

Whether you are starting your CMMC journey or maintaining compliance post-certification, VCM keeps you ready.

WHO NEEDS VCM?
